Press Release

LAKE BARRINGTON, ILLINOIS. October 28, 2013

DSA, Inc, an ISO 9001-2008 certified U.S. small arms manufacturer is pleased to announce the appointment of Michael McCarthy as Vice President of Business Development.

McCarthy brings 9 years' experience in International Sales as a manager and Director with Colt and Armalite and 20 years military leadership and planning experience as a U.S. Marine Corps Officer to the DSA leadership team.

This appointment rounds out DSA's Senior leadership team. "The dynamics and experience of our leadership team will have a tremendous impact on our continued growth in the areas of innovative product development, client satisfaction and manufacturing consistent with our company strategic vision. I am highly confident that Mike's work ethic and proven track record will be a catalyst in the development of strategic partnerships and our continued industry growth said David Selvaggio, CEO and founder."
